**2022 PROPOSED CONSTITUTIONAL AMENDMENTS**

**A.** The Wyoming Constitution allows the state to invest state funds in equities such as the stock of corporations, but does not allow the funds of counties, cities and other political subdivisions to be invested in equities. The adoption of this amendment would allow the funds of counties, cities and other political subdivisions to be invested in equities to the extent and in the manner the legislature may allow by law. Any law authorizing the investment of specified political subdivision funds in equities would require a two-thirds vote of both houses of the legislature.

**B.** Currently, the Wyoming Constitution requires Wyoming Supreme Court justices and district court judges to retire upon reaching the age of seventy (70). This amendment increases the mandatory retirement age of Supreme Court justices and district court judges from age seventy (70) to age seventy-five (75).

**DID YOU KNOW?**

Wyoming law requires that employees be given one hour off to vote on Election Day. However, there are some exceptions. The law does not apply to employees with three or more consecutive non-working hours during the time polls are open, and some federal agencies are exempt. (W.S. 22-2-111)
