A MESSAGE FROM THE ELECTION DIVISION

Fellow Voters,

Voting is one of the most sacred, important, and exciting rights we have as citizens of the United States of America. We've created this guide to help answer your questions, but always feel free to reach out to us for additional information.

A government *for* the people and *by* the people is only possible if you cast a vote. By casting a vote, you will determine the future of both the Great State of Wyoming and of our Nation.

With best regards,

Wyoming Secretary of State's Office
Election Division

DID YOU KNOW?

Wyoming law requires that employees be given one hour off to vote on Election Day. However, there are some exceptions. The law does not apply to employees with three or more consecutive non-working hours during the time polls are open, and some federal agencies may be exempt. (W.S. 22-2-111)
