*Pursuant to a decision of the Wyoming Supreme Court in 1994, initiative petitions submitted to the Wyoming Secretary of State before the general election are subject to the signature requirements from the previous general election. The first and second submissions of petitions for the "People's Initiative to Limit Property Tax in Wyoming through a Homeowner's Property Exemption" were submitted before the 2024 General Election, and are therefore subject to the 2022 signature requirements.
