What if I don't have my ID with me on Election Day?

If you do not have your ID with you, you can leave to get your ID and return to vote or vote a provisional ballot.

A provisional ballot allows you to vote right then and there, but you will need to bring your acceptable identification with you to your County Clerk's office by the end of the next business day in order for your vote to count.

I don't have any of those IDs. What can I do?

You may obtain a FREE identification card from your local Driver Services office. For more information on this process, please visit:

sos.wyo.gov/Elections/VoterID

What if I am voting by absentee ballot?

Voters who vote by absentee ballot are not required to provide any additional form of identification.
