Secretary of State's Office Deploys Enhanced, Mobile Friendly Campaign Finance Website

CHEYENNE, WY – On November 20, the Wyoming Secretary of State's Office deployed enhancements to Wyoming's Campaign Finance Information System, which provides online filing of campaign finance information by statewide candidates, candidate committees, political action committees, organizations, and political parties required by Wyoming law to file with the Wyoming Secretary of State's Office, for disclosure to the public. The improvements to the website streamlined the presentation of information, and enabled increased functionality for mobile devices.

“The enhancements made to our campaign finance website provide increased functionality for all,” Secretary of State Chuck Gray said. “I want to commend our Technology and Elections Divisions for spearheading this effort. At the Secretary of State's Office, we remain committed to providing enhanced customer service for the people of Wyoming.”
