Secretary Gray Holds Student Events and Townhall in Southwest Wyoming

CHEYENNE, WY – Wyoming Secretary of State Chuck Gray recently held a series of community and school events on the United States Constitution and Wyoming Constitution with students from Sublette and Lincoln Counties followed by a townhall in Kemmerer to discuss the work of his office and listen to the people of Southwest Wyoming. Secretary Gray discussed the United States and Wyoming Constitutions with students in Pinedale, Kemmerer, and Cokeville. The Wyoming Secretary of State publishes the Wyoming Constitution.

“It’s always great to visit with student groups and citizens across Wyoming,” Secretary Gray said. “The students we visited with had excellent comments and questions. I want to thank the Moms for Liberty, as well as Senator-Elect Laura Pearson and Representative-Elect Mike Schmid, for their work on these events.”
