Secretary Gray Celebrates Nationwide Injunction of CTA

CHEYENNE, WY – On December 3, the United States District Court for the Eastern District of Texas issued a nationwide injunction to enjoin the United States Government from enforcing the Corporate Transparency Act (CTA) and its Implementing Regulations.

“I am extremely pleased with the U.S. District Court’s injunction to stop the enforcement of the CTA,” Secretary of State Chuck Gray said in a statement. “I have been clear in my opposition to the CTA and its implementation, which is an unconstitutional intrusion into small business owners across the country, including Wyoming. I urge the Fifth Circuit to keep this injunction in place, and continue to block enforcement of the CTA.”
