Secretary Gray Testifies in Support of Election Integrity Legislation in front of U.S. Congressional Committee

CHEYENNE, WY – On February 10, 2026, Wyoming Secretary of State Chuck Gray testified in favor of the Make Elections Great Again Act in front of the United States Congressional Committee on House Administration in Washington, D.C.

“It was an honor to testify in support of the Make Elections Great Again Act today,” Secretary Gray said in a statement. “Both the MEGA Act and the SAVE America Act put forward baseline, common-sense election integrity standards to secure elections across our country. The MEGA Act and the SAVE America Act reflect many election integrity reforms we have achieved in Wyoming, including proof of citizenship for registering to vote. It is also key to fulfilling President Trump’s Executive Order Preserving and Protecting the Integrity of American Elections. It is pivotal that we push for these common-sense reforms, like the MEGA Act, and the SAVE America Act. I urge Congress to pass both of these important bills.”
