SUBJECT: Proposed Emergency Rules for Identification for Voter Registration

DATE: June 16, 2025

SUMMARY: In accordance with the provisions of 2025 House Enrolled Act No. 57, and for the reasons set forth in the Statement of Principal Reasons, the Secretary of State is proposing this emergency rule change to Chapter 2 of its rules governing election procedures to provide further clarity and uniformity for purposes of a voter's identity, residency, and United States citizenship for voter registration as contemplated by HEA 57. The proposed emergency rules are the same as those which have been promulgated and for which the Secretary of State's Office is seeking public comment until June 20, 2025. However, given HEA 57 specifies an effective date of July 1, 2025, the Secretary of State finds an emergency rulemaking is necessary to ensure that procedures are set forth in the intervening period while the regular rulemaking process is pending. These emergency rules will be superseded by the regular rules once regular rulemaking has been completed.

Statement of Principal Reasons

The Secretary of State is promulgating emergency rules to amend Chapter 2 of the Secretary of State's Election Procedures to be effective July 1, 2025 and remain in effect until the Secretary of State's regular rulemaking process is completed concerning Identification for Voter Registration for the following reasons:

On March 21, 2025, 2025 House Enrolled Act No. 57 (hereinafter the "Act") became law. Section 1 of the Act amends Wyoming's voter registration process to require individuals registering to vote to provide "proof of residence as defined in W.S. 22-1-102(a)(lv)." Section 1 of the Act also creates a new subsection W.S. 22-1-102(a)(lv) defining "proof of residence" to mean "the documents or other proof of residence specified by rule of the secretary of state, which rule identifies documents or other proof that establishes residency." Section 1 further creates a new subsection W.S. 22-1-102(a)(lvi) by defining "proof of United States citizenship" as specified, and amends Wyoming law to require that a qualified elector be a bona fide resident of Wyoming for not less than thirty (30) days before the date of the election at which he offers to vote. Section 2 of the Act provides that the Secretary of State shall promulgate all rules necessary to implement the Act, and Section 3 specifies that Section 1 of the Act is effective July 1, 2025.

The proposed emergency rules are identical to the regular rules which were promulgated and noticed on May 5, 2025, and which are currently undergoing the regular notice and comment process prescribed by the Wyoming Administrative Procedure Act. Like the regular rules, the proposed emergency rules amend Chapter 2 of the Secretary of State's rules governing election procedures to provide uniform rules whereby persons registering to vote must prove Wyoming residence. Specifically, the proposed rules amend Chapter 2, Section 5 to provide further clarity and uniformity for purposes of a voter's identity and residency, and Chapter 2, Section 6 to provide further clarity and uniformity for proof of residency for purposes of voter registration. The rules amend Chapter 2, Section 7, to clarify the statutory requirements for proof of United States citizenship to register to vote, as contemplated by the Act's creation of W.S. 22-1-102(a)(lvi). Finally, the rules create a new Chapter 2, Section 8, specifying uniformity and clarity concerning documents allowed as acceptable documentation for durational residency upon a challenge.

The Secretary of State finds an emergency rulemaking is necessary to ensure that voter registration procedures as contemplated by the Act are set forth in the intervening period while the regular rulemaking process is pending. The Secretary of State further finds that promulgation of these emergency rules will create uniform procedures to implement the Act effective July 1, 2025, and are necessary to ensure clarity in accordance with the Act's effective date of July 1, 2025. These emergency rules will be superseded by regular rules pertaining to this chapter once regular rulemaking has been completed, and final regular rules are adopted and signed by the governor.
